Work Experience

Investment Analyst, Premise Properties, Vancouver, BC

May 2015—August 2015

- Analyzed all current real estate investments within the company in order to assess current asset performance versus expected performance, reporting directly to the CEO/Founder Avtar Bains.
- Underwrote the prospective purchase of a portfolio of residential properties in Victoria totaling \$70M—work I completed was used for finding an equity partner, and securing financing.
- Lead the due diligence process on the sale of a \$110M property near Vancouver General Hospital.

Operations Manager, Cowichan Lake Marina, Lake Cowichan, BC (Seasonal)

May 2010—August 2014

- Ordered, managed, and sold \$25 000 worth of merchandise per season for the marina's retail store.
- Managed and maintained \$85 000 worth of rental assets through scheduling rental bookings, performing maintenance servicing, and booking professional maintenance servicing when necessary.

Associate, SchoolSoft Tehnologies, Calgary, AB

September 2012—August 2013

- Entered information to set up and configure schools that registered to use SchoolSoft's parent-teacher interview scheduling platform.
 - Tested and reported problems in the scheduling platform, often helping with the redesigning process.
-

Activities and Community Involvement

Vice President & External Public Relations, UBC Ski and Snowboard Club

April 2013—March 2015

- Raised \$1 500 for Vancouver Adaptive Snow Sports (VASS) by organizing and executing a skiing and snowboarding contest at UBC with over 400 spectators and 40 contestants.
 - Built and maintained a relationship with 28 sponsors throughout the calendar year for the UBC Ski and Snowboard Club—one of UBC's largest student-run clubs.
 - Cold called over 25 additional local and national businesses in order to support the club and help attract members using the deals sponsors provide throughout the school year.
